Dear colleagues,

The World Heritage Centre acknowledges receipt of the letter from the President of the Lahore Conservation Society regarding the state of conservation of the Shalimar Gardens in Lahore due to the construction of a mass transit scheme [Orange Line Metro Train].

We thank you for sharing the information. Please be assured that the World Heritage Centre will further verify this information with the State Party of Pakistan and discuss this matter with the advisory bodies this week and will thereafter bring up the report on the site to the next session of the World Heritage Committee.
